

## FIRST DATABANK, INC.

### SECTION 1:

The parties hereby acknowledge that, notwithstanding anything in this Exhibit, Customer may utilize the customization functionality within the Drug Information Framework Software, if such software was licensed, to provide and report clinical alerts developed by the Customer. Customer assumes all liability for such customized alerts. Customer agrees to indemnify, defend and hold Allscripts and First DataBank harmless from such Customer developed alerts to the extent that such claims would not have existed but for Customer's customization of the alerts.

### SECTION 2:

First DataBank hereby warrants that the non-exclusive rights granted to Customer are free of any and all assignments, grants, licenses, obligations, or agreements, either written, oral or implied which might detract from Customer's full enjoyment of such right. First DataBank warrants that, at the time of delivery to Customer, the Databases will perform as generally described in the First DataBank Database documentation. During the term of the Agreement, First DataBank agrees to correct at its own expense any errors or omissions in the Databases reasonably attributable to it and brought to its attention by Customer in writing. First DataBank warrants that it has used reasonable care to accurately compile the databases. FIRST DATABANK MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, OTHER THAN THOSE IN THIS EXHIBIT, AND FURTHER, MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, AS TO THE ACCURACY OF THE DATA FROM WHICH THE DATABASES ARE COMPILED, NOR AS TO FITNESS FOR LICENCEE'S PARTICULAR PURPOSE.

### SECTION 3:

First DataBank has utilized reasonable care in collecting and reporting the information contained in the Databases and has obtained such information from sources believed to be reliable. First DataBank, however, does not warrant the accuracy of codes, prices or other data contained in the licensed products. Information reflecting prices is not a quotation or offer to sell or purchase. The clinical information contained in the licensed products is intended as a supplement to, and not a substitute for, the knowledge, expertise, skill, and judgment of physicians, pharmacists, or other healthcare professionals in patient care. The absence of a warning for a given drug or drug combination should not be construed to indicate that the drug or drug combination is safe, appropriate or effective in any given patient.

## Medknowledge

EXHIBIT 6 – SUBLICENSEE USER PASS-THROUGH TERMS AND CONDITIONS Sublicenses are permitted, when the Licensed Solutions are bundled with other Licensee services or products. Each Sublicensee will be required, prior to allowing access to the Licensed Solutions by its End Users, to accept the disclaimers of liability and indemnification obligations set forth in Exhibit 6 hereto. By accessing the Licensed Solutions, you (the "Sublicensee") agree as follows:

1. **DISCLAIMER OF WARRANTY.** SUBLICENSEE AGREES THAT THE FDB LICENSED SOLUTIONS ARE PROVIDED ON AN "AS IS" BASIS, FDB AND ALLSCRIPTS MAKE NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, AS TO THE ACCURACY OF THE DATA FROM WHICH THE LICENSED SOLUTIONS ARE COMPILED, NOR THE COMPATIBILITY OF THE LICENSED SOLUTIONS WITH LICENSEE'S HARDWARE AND SYSTEMS, AND SPECIFICALLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE

2. **Assumption of Risk.** Without limitation of the disclaimer of warranties set forth above, acknowledges and agrees that: FDB represents and warrants that it has utilized reasonable care in collecting and reporting the information contained in the Licensed Solutions and has obtained such information from sources believed to be reliable. FDB, however, does not warrant the accuracy of codes, prices or other data contained in the Licensed Solutions. Information reflecting prices is not a quotation or offer to sell or purchase. The clinical information contained in the Licensed Solutions is intended as a supplement to, and not a substitute for, the knowledge, expertise, skill, and judgment of physicians, pharmacists, or other healthcare professionals in patient care. The absence of a warning for a given drug or drug combination should not be construed to indicate that the drug or drug combination is safe, appropriate or effective in any given patient. The professional duty to the patient in providing healthcare services lies solely with the healthcare professional providing patient care services. FDB does not assume any responsibility for actions of Sublicensee or any personnel which may result in any liability or damages due to malpractice, failure to warn, negligence or any other basis. Sublicensee and the other health care providers responsible for patient care shall retain full responsibility for all decisions relating to patient care, and the FDB Licensed Solutions shall not be used as a substitute or replacement for diagnosis or treatment recommendations or other clinical decisions or judgment. The foregoing allocation of liability fairly reflects the economic circumstances and risks that Sublicensee and FDB are willing to undertake in view of the amounts paid and/or payable by Sublicensee for the license of the FDB Licensed Solutions.

3. LIMITATION OF LIABILITY: INDEMNITY. IN NO EVENT WILL FDB OR ALLSCRIPTS BE LIABLE TO SUBLICENSEE FOR ANY LOST REVENUES, PROFITS, DATA OR OTHER INFORMATION, OR FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, ARISING OUT OF THE USE OF OR INABILITY TO USE THE LICENSED SOLUTIONS OR ARISING OUT OF OR IN ANY OTHER WAY CONNECTED WITH THE LICENSE GRANTED TO SUBLICENSEE HEREIN, EVEN IF FDB HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FDB'S TOTAL LIABILITIES, WHETHER ARISING UNDER CONTRACT OR OTHERWISE, ARE LIMITED TO THE FEES RECEIVED BY FDB HEREUNDER SPECIFICALLY RELATING TO THE FDB PRODUCT. Sublicensee hereby covenants and agrees to indemnify and hold FDB harmless from and against any liability, loss, injury or expense (including reasonable attorneys' fees and court costs) imposed upon, incurred or suffered by FDB relating to or arising out of any allegation or claim by any third party that the use of the Licensed Solutions, or any information contained therein, caused or contributed to the personal injury or death of an individual unless the allegation or claim is determined by a court of competent jurisdiction to be the result of FDB's gross negligence or willful misconduct. V6 PC 11.15.2021

4. Third Party Beneficiary. Sublicensee acknowledges and agrees that FDB is a third party beneficiary of these terms and conditions.
