

MEDALLIES NETWORK END USER AGREEMENT

MedAllies, Inc., its subsidiaries, and its affiliated entities (collectively, "MedAllies") are pleased to offer online access to MedAllies' proprietary technology and services comprising an interoperable health information infrastructure (the "MedAllies Network"). Such access is governed by this MedAllies Network End User Agreement ("Agreement"). Please read the following information carefully.

1. **Certification.** MedAllies, pursuant to its certification authority under the Direct Project, issues digital certificates ("Certificates") to end users of the MedAllies Network who are health care providers. By accepting this Agreement, you authorize MedAllies to perform certain digital certificate-related duties that are normally reserved for Certificate subjects, usually an entity's equipment, personnel, or agents. These duties include managing keys, registering devices, and authenticating personnel with MedAllies and its Certificate systems, and installing, configuring, and managing issued Certificates.

a. **Certificates.** You authorize MedAllies to request Certificates in your name and for your use and benefit.

b. **Authorization.** You authorize MedAllies to request, issue, verify, use, and manage Certificates and corresponding key sets. c. **Duration.** The authorizations granted under this Section 1 are coterminous with the applicable subscriber agreement.

2. **Access.** In this Agreement, "you" refers to an individual or organization accessing or using the MedAllies Network. You shall have access to, and may utilize, the MedAllies Network only in accordance with this Agreement.

3. **Use.** You are solely responsible for all data and information you submit to or through the MedAllies Network. In connection with your access to and use of the

MedAllies Network, you shall comply with all applicable laws, regulations, rules, and policies of all relevant jurisdictions. In addition, in connection with your use of the MedAllies Network, you shall not:

e. intentionally post or transmit any information that violates or infringes in any way upon the rights of others;

f. intentionally post or transmit any unsolicited advertisements, solicitations, chain letters, pyramid schemes, investment opportunities or schemes, or other unsolicited commercial communications, or engage in spamming or flooding, or any denial of service attack;

4. **Termination.** MedAllies may immediately terminate (with no cure period) this Agreement and your access to and use of the MedAllies Network, if: (i) you fail, if required by applicable law, to be licensed, registered, or otherwise authorized by a

governmental authority to provide health care services; or (ii) you materially breach this Agreement and fails to cure such breach within thirty (30) days after receiving written notice from MedAllies describing the breach.

5. **Suspension.** MedAllies may immediately suspend your access to the MedAllies Network, in MedAllies' sole discretion, if MedAllies reasonably determines through verifiable documentation that such access poses a patient safety or confidentiality concern, or a threat to the functionality of the MedAllies Network.
