End User License Agreement for UnicorMed Alpha II CodeWizard
(the "UnicorMed Terms and Conditions")

Unicor Medical, Inc. ("UnicorMed") hereby grants to Allscripts client ("Client") utilizing the Allscripts Software a non-transferable and non-exclusive restricted license to use UnicorMed's Alpha II CodeWizard Software as only integrated with the Allscripts Software, and, and in accordance with these UnicorMed Terms and Conditions and the Agreement between Allscripts and Client. Upon termination of these UnicorMed Terms and Conditions all licenses and rights to Alpha II Code Wizard, or any functions or components thereof, granted to Client terminate. For the purposes of this paragraph, "Alpha II CodeWizard" includes all revisions, updates, modifications, amendments, functions and components of the Alpha II CodeWizard Software, as applicable. All written materials related to the Alpha II CodeWizard are copyrighted by UnicorMed, and may not be reproduced in any fashion without the express written permission of UnicorMed. Contained within the Alpha II CodeWizard is certain proprietary information owned by (and which constitutes a trade secret of) UnicorMed, including, but not limited to, information that links various medical procedures to certain insurance claims and/or insurance codes ("Proprietary Information"). Client agrees not to disclose, or allow the disclosure of, the Proprietary Information to third parties. Except for the license expressly granted by this paragraph, UnicorMed retains title to and ownership of and all proprietary rights with respect to the Alpha II Code Wizard and the Proprietary Information, whether or not incorporated into or with other software. The license of Alpha II Code Wizard hereby does not constitute a sale of the Alpha II Code Wizard or the Proprietary Information. Client agrees that Client shall not (and shall not allow **Client's** agents, representatives, employees, or a third party to): (i) decompile, disassemble, or otherwise reverse engineer or attempt to reconstruct or discover any source code or underlying ideas or algorithms of the Alpha II CodeWizard or the module by any means whatsoever; (ii) remove any product identification, copyright, or other such notices; (iii) provide, lease, lend, use for timesharing or outsourcing or hosting, or otherwise allow third parties to use or benefit from the Alpha II CodeWizard; (iv) modify, incorporate into other software, or create a derivative work of any part of the Alpha II CodeWizard or the Proprietary Information.; (v) decompile, disassemble, or otherwise reverse engineer or attempt to reconstruct the Proprietary Information (or any portion thereof); or (vi) provide, lease, lend, use for timesharing or outsourcing or hosting, or otherwise allow unlicensed third parties to use or benefit from the Proprietary Information without a valid license agreement.
